Technical Test Music Requirement

A slight change to the procedure for technical tests was implemented in February 2018 whereby any music required for technical programs will be played via a playlist by a WAISA representative.

Coaches or athletes are required to forward the appropriate music for the test session ***no later than the Saturday the week prior to the test (ie, 8 days prior to the test session)***.

The music file must be named as per the ISA Music Provision Protocol in MP3 format (available on the ISA website) http://docs.wixstatic.com/ugd/793a42_7e1e919d3aef4d38b9cf9d58567818d5.pdf.

Music must be received by the Test Convenor at waisatest@outlook.com ***no later than 8 days prior to the test (ie, 8 days prior to the test session).***

Please note that <u>only music provided which complies with the ISA Music Provision Protocol by the required date will be accepted for the test session</u>.

Playing music from iPhones or iPods is no longer accepted.
